

EDCON-COMPONENTS

Description

Plug-in tab to solder tab or plug-in tab to plug in tab
 6,3mm (0,25 in.) quick connect tab
 Available in PA or PVC
 Recommend mounting hardware: M3 pan head screw or similar sized sheet metal screw, self-tapping screw or rivet

Dimensions (mm)

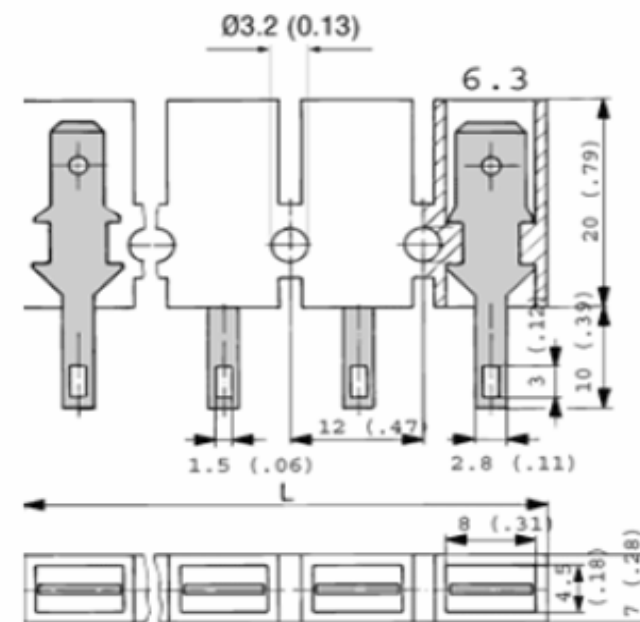

Technical Data

Center to Center Spacing : 12mm (0,472 in.) Nominal Cross Section
 6,3mm version for 6mm² (9299 mils)

Material

Version: PVC
Molding: plasticised PVC transparent color
Temperatur:
Short Time 80°C
Continious 70°C
Comparative Tracking Index CTI > 400

Version: PA
Molding: polyamide, self extinguishing to UL94, V2 color off-white
Temperatur:
Short Time 140°C
Continious RTI 105°C

Length of Connector (L) L=No. of Poles x Center to Center Spacing - 2mm

Terminal Options

Part No.: **N40006**

Customer:

DRW:	Jason	CHKD	Wilson	MATL:	Wilson	TOLERANCE	Mason	DATE	20.10.2011
APPD:	Schumi			FINISH	Jamy		Sheet No.		1 from 2
